*Note: If you are using a school network of NCKU(such as NCKU WiFi), the message "You do not have login permission, please contact your administrator" (您沒有登入權限，請聯絡您的管理員)will appear here, because it is already inside our school, please change to the mobile(4G) network.

5、Click OK/確定.

Figure6

6、Click the green icon to connect/disconnect.

Figure7

7、If the connection is successful, the VPN or lock icon will appear on the top of the phone,

indicating that the connection is successful. Or go back to the program, click the step6

green icon to check the connection status or disconnection.
